Please note:

The standard set-up of the room is classroom style. Should you need a different style for your meeting, you may change it, however at the end of the meeting the room needs to be left in the original set-up. Unfortunately, we do not have any staff in the building who can organise this for you.

The building has the University of Hamburg's eduroam internet connection. If you do not already have access data, please apply for guest IDs via the University of Hamburg's computer centre. More Information [here](#).
